## Tornado Debris Cleanup

The City of Alexander City and Russell Lands Inc. are working together to clear debris from Friday's tornado. Mitch Kendrick, Street Department Superintendent, stated that they hope to have all roads cleared and passable by Tuesday, March 6. According to Terry Bishop, Environmental Management Superintendent, the City would like to have all brush, from the tornado, hauled off in the next couple of weeks.

The brush trucks will not run its regular route until all of the tornado debris is cleared. The City asks that residents be patient with the brush truck crews. They will begin to pick up brush and return to their routine routes as soon as possible.

If anyone has any questions or concerns please contact Mitch Kendrick or Terry Bishop at (256) 409-2020.

## North Central Landfill Hours of Operation

The North Central Landfill is open Monday thru Friday from 7:00 am to 3:00 pm and the second Saturday of each month from 7:00 am to 12:00 pm.

If anyone has any questions please contact Terry Bishop at (256) 409-2020.

The mission of the Public Works Department is to provide quality services to the citizens of Alexander City and other City Departments in a professional, safe, efficient, courteous, and cost-effective manner.
