

The City of Alexander City, Alabama, seeks bids for the 2015 improvements to the existing raw water and high service pump stations. Major components: (1) Removal and Replacement of raw water pump, piping, and associated appurtenances, (2) Installation of a new high service pump, piping, and associated appurtenances, and (3) Installation of an electric actuator on an existing valve. Coordination with Revere Control Systems for control system programming and integration. Drawings and specifications may be examined in the office of the owner's engineer, CH2M Hill, at 4121 Carmichael Road, Suite 400, Montgomery, Alabama 36106. Bidding documents may be obtained at CH2M Hill's office upon payment of \$110.00 for each set of documents. Send checks to the attention of: CH2M Hill, 4121 Carmichael Road, Suite 400, Montgomery, Alabama, 36106. For questions and information about the project contact Justin Wilks, P.E. at (334) 271-1444 ex 59065 or email Justin.Wilks@ch2m.com
